

## Writers and Artists Online Roundtable: Visions 2040

Willi Paul, Mythologist, Planetshifter.com

6/1 – 6/23, 2016

### Event Guide

#### Event Description:

Share your mind screens, eco-visions and community snap shots as we discuss visions for 2040. To participate in this event, please subscribe to our [Google Group](#) and upload your work by **June 18**. Please see [DROUGHTaction](#) (and companion [artist gallery](#)) as a template experience for this event. Kindly contact Willi Paul (willipaul1 at gmail.com) with questions. There is no charge to participate.

*“Imagine 2040: What can the future tell us now?”*

#### Roundtable Schedule:

- **SUBMISSIONS PERIOD:** June 1 – 22 -

- + Via the **new topic** option, each member will submit one or more: scenarios, lists, images, poems, sounds, songs, stories, new myths, including supplemental resources to share with the group.
- + Members are encouraged to review and offer comments on each other’s work prior to Live Day
- + The [Google Group](#) is transformed into a shared galley and project archive

(cont.)

- **LIVE DAY:** June 23 -  
5:00 – 6:00 PM PST

**Join the live discussion via conference call**  
(dial-in instructions are in the [Google Group](#)):

- + Consider triggers, themes, movements, threat events in 2040
- + Possible solutions for 2016
- + Record and archive audio file
- + Evaluate tools, vision and process

## Consider any of the following topics for your submissions:

### [New Symbols](#)

Water / Drought / Extinction

[Rituals](#) / Traditions

[Archetypes](#)
